Dear Residents,

PLEASE NOTE: Use the (Blue) Republic Bins for this last week of June. Republic will pick up all of their bins, kindly leave them at the road; they will be picked up by July 15th.

As you have noticed you have received “another” set of Trash & Recycle Bins, marked GFL (Green For Life) and they will be our new pick up service, as of the first week of July. Please use them at this time.
